---

1. Designate the number of years the firm has been in existence: \_\_\_\_\_

2. Identify three completed residential projects (address) which represent the range of the firm's stylistic design capabilities. Please provide 1-3 photos of each project (can be provided via email, web site, or printed photos).

Project 1: \_\_\_\_\_

Project 2: \_\_\_\_\_

Project 3: \_\_\_\_\_

3. Provide one set of Final Detailed plans submitted for ALRC review for one of the above projects. The plans will be returned to you.

4. Provide three client references for residential projects completed within the last five years.

Name: \_\_\_\_\_ Name: \_\_\_\_\_

Phone: \_\_\_\_\_ Phone: \_\_\_\_\_

Name: \_\_\_\_\_

Phone: \_\_\_\_\_

5. Briefly explain the firm's design and service philosophy:

---

---

---

---

---

6. Identify the key attributes of the firm:

---

---

---

---

7. Identify the principal participant(s) from your firm who will work on this project if your firm is selected:

---

---

---

---

8. Please give three examples of the North Rim Design Guidelines that represent the most significant differences when compared to other homeowner association design guidelines under which you have designed homes in the past.

---

---

---

---

9. Are there any portions of the substance or procedure of the North Rim Guidelines that you feel need additional explanation in order to be well understood by you or your client?
